On July 1, 2008, the Gallatin Solid Waste Management District implemented a Late Fee Disposal Charge for commercial and private haulers that are on-site after the Logan Landfill's 4:30 p.m. posted closure time. The Bozeman Convenience Site was added to the District's operations.

The District operates the Logan Landfill Monday through Saturday from 7:30 a.m. to 4:30 p.m. The landfill will promptly close at 4:30 p.m. The District operates the Bozeman Convenience Site from 8:00 a.m. – 3:30 p.m. The convenience site will close promptly at 3:30 p.m. Late customers at both sites will be turned away. Onsite customers unloading after the closure times will be charged a late fee in addition to their regular disposal fee. The fee is the same for all customers whether they are commercial, private, or the general public.

The late fee will be assessed as follows:

Logan Landfill

4:31 p.m. – 4:39 p.m. = \$25

4:40 p.m. – 4:49 p.m. = \$50

4:50 p.m. - 5:00 p.m. = \$75

5:01 p.m. = \$100 maximum fee

Bozeman Convenience

3:30 p.m. – 3:39 p.m. = \$25

3:40 p.m. – 3:49 p.m. = \$50

3:50 p.m. – 3:59 p.m. = \$75

4:00 p.m. = \$100 maximum fee

At the Logan Landfill all customers will be required to stop unloading and leave the premises at 5:00 p.m. At the Bozeman Convenience Site all customers will be required to leave the site at 4:00 p.m. No exceptions.

Approved by the GSWMD Board of Directors, October 27, 2010, effective December 1, 2010.
